

## BTHFT Foundation Trust Membership Profile: June 2023

### 1. Who can become a member of our Foundation Trust?

**Eligibility** Details are laid out in our Constitution which is available [here](#).

In general people and those accessing our services as a patient or carer are invited to become a member of the Trust via the [online membership form](#)

**Public membership:** Our public membership is divided into six sub-constituencies which cover Keighley, Shipley, Bradford East, Bradford South, Bradford West and 'Rest of England and Wales'. With the exception of our staff, if a person lives in one of the above areas (as determined by their postcode) then you can join as a public member of the relevant constituency.

**Patient (Out of Bradford) membership:** Patients, or the carers of patients, who live outside of our Bradford district can join our Patient membership constituency.

**Staff membership:** Our staff membership constituency is divided into four groups. These cover Nursing and Midwifery, Medical and Dental, Allied Health Professionals and Scientists (AHP&S), and 'All our other Staff Groups' (comprising administration and clerical staff, estates and facilities staff and some members of staff who provide additional clinical services). An eligible staff member is automatically a member of the foundation trust.
